Applications Invited for Internship

Nrityashilpa Yātra - 2022

Noopura Bhramari (R.) Karnataka - one of the premier institutions dedicated to the publication, advanced research, documentation and scholarship in performing and allied arts. It has been accredited as an IKS centre

and its own objectives have blended beautifully with the objectives of Indian Knowledge System- an innovative self under the Ministry of Education at AICTE, Government of India.

Now, the Centre is glad to invite applications for Internships from eligible and interested candidates. As a part of the sculptural study, the project team has chosen some temples to train the potential aspirants. The present call involves field study at

1. *Someshwara temple, Halasuru, Bengaluru & Bhoga Nandishwara, Chikkaballapura*
2. *Lepakshi temple, Ananthapur, Andhra Pradesh*
3. *Ancient Temples of **Kolara**, Karnataka*

When?

- The field trips are designed for three independent days as numbered above.
- All the three are one day trips only; which will be organised in alternative weekends.
- Tentative schedule is **mid May to July**. Dates will be announced later. However travel and food to be taken care of by the interns themselves.

Who can apply?

- Candidates must be **18 years and above**.
- The applicants need to be * Trained in any classical dance form for at least 6 to 8 years.
* Deeply interested in historical and sculptural studies.
- If the applicant is new to dance research, he/she may apply for **junior category**. If the applicant is experienced in dance research methods and writing, he/she may apply for **senior category**. The applicants of senior category must send one page write-up on the topic '**Dance and Temple Sites**' in their own words.
- Apply in the Google form link: <https://forms.gle/QTYXZvd4fEXhM1Mx9>

Responsibilities

- Once selected, the interns are expected to participate in orientation/training sessions and all the three field trips without fail. The interns will have to actively participate in the process of observation of the sculptures, photographing them, making running notes of the discussion, drafting document of the content discussed in a methodological way and so on. Senior interns are expected to write research papers while the juniors should come up with a report or an article. Selected write-ups will also get the honour of publication and presentation. After the successful completion of field trip and reports; a nominal amount of stipend and certificate will be issued to interns.

Last date to apply: 20 April 2022
